

How to apply for a WFH request?

If any employee wishes to apply for **Work from Home (WFH)** due to any reason, they can do so easily through the Super HRMS portal. The system allows employees to submit their WFH requests for approval, ensuring a smooth and transparent process.

You can access this feature through:

Attendance → My OD & Remote Work. → (+)

Likewise, if a member wants to apply for a **Work From Home (WFH) Request**, they need to select the **Date** for which the request is being made. They must also specify the **Day status** whether it is for a **Full Day**, **First Half**, **Second Half** or **Certain hours**.

Additionally, the member can provide a **reason** for the request and, if required, **attach any supporting documents**. Once all the details are entered, the OD request can be submitted.
